

STATE WATER EFFICIENCY AND ENHANCEMENT PROGRAM (SWEEP)

SWEEP DIRECT-TO-PRODUCER FUNDING UPDATE

The California Department of Food and Agriculture is suspending the current **SWEEP Direct-to-Producer** solicitation due to the extraordinary State budget deficit announcement in November.

Stay Up To Date:

CDFA will provide an update on the status of this solicitation in early 2024 through their email subscription list.

Sign up for CDFA email notifications:

Already Applied?

CDFA will contact you directly when they have more information about the program status.

UPCOMING SWEEP BLOCK GRANT PILOT

SWEEP Block Grant Pilot funding is secure and applications open in early 2024.

The North San Joaquin Water Conservation District, the South San Joaquin Irrigation District, and the Stockton East Water District are partnering to utilize the **Block Grant Pilot** to distribute \$5 million in **landowner grants of up to \$200,000** for the same purpose as the Direct-to-Producer grant.

For more information on the SWEEP Block Grant Pilot, visit:

https://www.cdfa.ca.gov/oefi/sweep/block_grant.html

Stay tuned for more information about training opportunities.
